

Clifford E. Cummings
Sunburst Design, Inc.
Short Biography

Cliff Cummings is President of Sunburst Design, Inc., a company that specializes in world-class Verilog, SystemVerilog and synthesis training.

Cliff has presented more than 100 SystemVerilog seminars and training classes and was the featured speaker at the world-wide SystemVerilog NOW! seminars in 2003.

Cliff has participated on every IEEE & Accellera Verilog, Verilog Synthesis, and SystemVerilog committee, and has presented more than 40 papers on Verilog & SystemVerilog related design, synthesis and verification techniques. 16 were voted "Best Paper" and are downloaded by engineers world-wide.

Cliff holds a BSEE from Brigham Young University and an MSEE from Oregon State University.
